| POS                   | DESCRIPTION                          | PART                 | QTY | COMMENTS  |  |
| 1                     | Quick Attachment Gjerstad GJ500 EC15 | 100495               | 1   | For EC15 housing, use this quick attachment!        |  |
| 2                     | Quick Attachment GJ500 EC20          | 100084               | 1   | For EC20 housing, use this quick attachment!        |  |
| 3                     | Quick Attachment GJ500 EC30          | 100581               | 1   | For EC30 housing, use this quick attachment!        |  |
| 4                     | Lockcylinder                         | 200500K              | 2   |   |  |
| 5                     | Lock Axle                            | 402537               | 2   | Blacknite hardened                                  |  |
| 6                     | Slotted spring pin                   | 650400               | 4   | 6x40 ISO 8752                                       |  |
| 7                     | Socket Head Screw 10 x 30            | 610452               | 4   | 12.9 Untreated ISO 4762                             |  |
| 8                     | Shims 20 2mm                         | 404513               | 2   |   |  |
| 9                     | Shims 20 1mm                         | 404512               | 6   |   |  |
| 10                    | Shims 20                             | 400069               | 2   |   |  |
| 11                    | Locking Wedge Gjerstad 500           | 404382               | 2   |   |  |
| 12                    | Lockaxle GJ500                       | 404383               | 2   |   |  |
| 13                    | Hex Head Screw 12 x 20               | 610163               | 4   | 8.8 Yellow chromated ISO 4014                       |  |
| 14                    | Flat head socket screw 8x25          | 610608               | 2   | 10.9 Yellow Chromated DIN 7991                      |  |
| 15                    | Lid                                  | 300872               | 1   |   |  |
| 16                    | Socket Head Screw 16 x 80            | 610528               | 12  | 12.9 Untreated ISO 4762 - For EC15 Quick Attachment |  |
| 17                    | Socket Head Screw 20 x 80            | 610555               | 12  | 12.9 Untreated ISO 4762 - For EC20 Quick Attachment |  |
| 18                    | Socket Head Screw 20 x 100           | 610557               | 12  | 12.9 Untreated ISO 4762 - For EC30 Quick Attachment |  |
